

Please make your payment as a one time payment without signing in to an existing account by using the following instructions:

Click on the Pay Online tab at www.camkc.com

Click on the www.rentpayment.com icon to be directed to the 3rd party payment website

Under "First Time Users" click Make Payment

Select the state the HOA is in

Select Make Payment tab identified with their HOA

Fill out the information with the * ONLY – DO NOT enter a username or password

Check the Accept Terms box

Select continue

Select Continue under "Make a One Time Payment"

Enter the amount of the payment and hit "Continue"

Fill out all payment information, select continue and verify payment to complete the transaction

If the above steps are followed exactly and the transaction can still not be processed, contact the rentpayment.com website at 866-289-5977.

The system will not recognize problems with a duplicate email address (ie: an established user makes a one time payment via the steps above and submits the same email address as they used during their previous user set up) so there should be no problems with using the same email address.
